

# Help Out on State Natural Areas

## Chiwaukee Prairie Workday

**The prairie is blooming, come restore Chiwaukee Prairie SNA.** Help Chiwaukee Prairie Preservation Fund volunteers during our monthly workdays on the third Saturday and enjoy the beauty of this rich prairie in the process. We will scout for and remove garlic mustard and dame's rocket which threaten to outcompete native plants. We will remove these using a variety of techniques including herbicides, shovels, and our hands. Bring a bag lunch to eat afterwards. No skills needed you will be trained onsite.

**Date:** May 19

**Time:** 10am-1pm

**Directions:** Meet at 121<sup>st</sup> St and 2<sup>nd</sup> Ave unless indicated differently at [chiwaukee.org](http://chiwaukee.org).

**What to wear:** Dress for the weather, bring work gloves, and protective eyewear.

**Contact, cancellation and RSVP info:** If you have questions, email [cppf@chiwaukee.org](mailto:cppf@chiwaukee.org) or call 262-658-8336.

**Next workday:** June 16 – Dame's rocket, thistles, sweet clovers, swallow-wort and other weeds.
